

Overseas participants can use “VooV meeting” to join in the meeting held by Tencent meeting. VooV is the overseas edition of Tencent Meeting. Because the phone number is required for registration, we recommend overseas participants to use “VooV meeting”. “VooV Meeting” and “Tencent Meeting” share the same meeting ID. Here is an instruction about “VooV Meeting”.

1. Go to <https://voovmeeting.com/> to download “VooV meeting” software for computers (Windows or Mac).
2. Install “VooV meeting”, running it afterward.
3. Choose “Sign Up/login” on the app UI, then choose “sign up” on the lower right corner. It will open a webpage for signing up in your web browser.

The screenshot shows the 'Sign Up' page for VooV Meeting. The page has a header with the Tencent Cloud and VooV Meeting logos, navigation links for Cloud Meeting, Pricing, Support, and Download Center, and a language dropdown set to 'International - English'. There are also links for 'Join a Meeting', 'Host a Meeting', 'Log In', and a blue 'Sign Up' button. The main content area is titled 'Sign Up' and contains a form with the following fields: 'Mobile' (with a country code dropdown set to '+1' and a text input for the number), 'Verification Code' (with a text input and a 'Send Code' button), 'Name' (with a text input for the display name), 'Password' (with a text input and a toggle for visibility), and 'Confirm Password' (with a text input and a toggle for visibility). A 'Sign Up' button is at the bottom of the form. Below the button is a checkbox for 'I have read and agree to Service Agreement and Privacy Policy'.

6. After the sign-up procedure, you can use the phone number and your password to log in “VooV” app.

7. Click “Join” the meeting on the left-upper corner of the app. Enter the meeting ID and you will join in the meeting.
